## Little Learners' Nursery & Out of School Clubs

We hope everyone had a lovely Easter weekend, we have all enjoyed the sunshine and are ready to come back and start the Summer term.

Our Easter holiday club was filled with lots of egg themed activities and spring themed activities, such as egg painting, an egg hunt, making chocolate egg nests and even some gardening for the children. It seemed like everyone had lots of fun, I'm sure the good weather for the first week and a half helped this.

This is a big term for the children going to school, hopefully the children all got into their first choice of school and we can start planning visits and meeting new teachers. The nursery children are already familiar with Miss Platt (Bayton school Reception teacher) and she will now start coming to us regularly and we will visit once a week with the children going to Bayton school. Please could all parents let your child's key worker (or any member of staff) know which school your child is going to. Your child's key worker will do an end of nursery review with you where your child's learning journey will be discussed

and their progress over the last few months. You are welcome to look at your child's learning journey at any time, they are kept in the cloakroom on the shelf.

We have a new website! There have been a couple in the past but have not been successful in being used. Jayne is building our new website (she used to do this in a previous job) and it is up and running. It only has basic information on it so far but we will be using it to post newsletters and blogs. Please could everyone visit and share our new website, it is

[www.baytonlittlelearners.co.uk](http://www.baytonlittlelearners.co.uk)

We are also on Instagram and Facebook, please like and follow our pages. We will try to post regular updates.

For school children using our out of school clubs please could parents let us know what days after school club you need as soon as possible, including any days they will be at

clubs at school. Tuesdays and Thursdays are very busy and a few times we have been at our maximum occupancy. Breakfast club is usually fairly quiet and not so vital that children are booked in.

On Friday 10<sup>th</sup> May it will be Vicky's last day before she starts her maternity leave. Her baby is due on 25<sup>th</sup> June so she is taking a well-deserved break before baby arrives. Vicky's key children will be assigned a new key worker, this has been decided and your child's new key worker will introduce themselves shortly. We hope Vicky enjoys her time off before her baby comes and wish her all the best for the coming weeks. We can't wait for cuddles with the new baby soon!

Even though I am writing this newsletter in the Easter holidays I am also preparing for the next holiday club which is 4 weeks after

we start the Summer term. The first Monday is a Bank Holiday so nursery will be closed on that day. We will be open Tuesday – Friday from 8-6 providing we get enough children booked in. It is important that all bookings for this week are in by Monday 13<sup>th</sup> May so I can ensure there is enough interest in holiday club for this week. The activities are currently being decided by staff and we will be asking the children over the following few days what they would like to do during the next holiday club. All suggestions are gladly received!

There are a couple of changes I need to point out on the menu. Instead of chicken curry and rice we will be having chicken casserole and rice, and instead of chocolate crunch we will be offering homemade cookies.

**Reminder... We are closed on Monday 6<sup>th</sup> May as it is a Bank Holiday!**
